## Luggage

Our rates include a maximum of three pieces of luggage per passenger (including hand luggage). For additional pieces of luggage, a surcharge of US\$ 2.50 per piece is applicable.

## For airport-to-hotel transfers

Your pick-up location is the Kiss & Ride area, located about 60 meters north of the terminal building across the parking lot, in front of the AVIS office. You may leave luggage carts in the designated area. As you are arriving by airplane and you have to clear immigration and customs, our driver will be at the kiss & ride location usually 5 to 15 minutes after the actual landing time of your flight.

## Waiting Fees

The driver will wait for up to 45 minutes after your flight's arrival at no extra charge. Beyond this grace period, a waiting fee of US\$ 10 will apply per additional 10 minutes. This fee accounts for time the driver could otherwise spend serving other passengers, especially during busy periods. The 45-minute allowance is designed to cover typical post-flight activities like deplaning and customs, while additional waiting impacts the driver's schedule and availability.

Taxi drivers often incur fees for accessing airport facilities. If delayed beyond the grace period, the waiting fee helps to offset these expenses, allowing drivers to maintain a fair income while offering flexibility for standard wait times.

Fares are based on 1 to up to 4 persons per ride. For additional persons, a surcharge of 25% on top of the published fare per extra person is applicable.

The fares mentioned are applicable on all days of the week between 6 AM and midnight. Between 12 AM and 6 AM a surcharge of 50% is applicable.
